

Beluga HoseDrop Systems

Flexible hose drop for spraying between rows

Choosing Your Beluga HoseDrop System

1. Fertilizer Sidedress
Choose a length of hose drop (36" or 72")
Work with your dealer to add the parts needed...
2. Anvil Herbicide Banding
Select the 36" hose drop with 45 ° spray head and one of the three deflector nozzles.
3. Subcanopy Crop Spraying
Choose a length of hose drop (36" or 72") Choose a number of Beluga spray heads (1-3).
Choose nozzle slide sets (8mm, 11mm, round hole, blanks)-- come in pairs with gaskets.
Add a drilling template to accurate position Beluga spray heads on the hose drop.
